Compliance Statement for Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)

Reference:

1. Regulation EC No 1907/2006 of the European Parliament and of the Council of 18 December 2006, concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)
2. ECHA, Candidate list of Substances of Very High Concern (SVHC)

In reference to the European Union REACH regulation, SVHC list, and your inquiry regarding this issue to Mill-Max, we are providing the following information:

Mill-Max is aware of the regulation and the SVHC list the EU published (referenced above). It is our understanding that there are several criteria that may require registration, notification to ECHA, or communication to customers. Mill-Max does not produce or sell any of the listed substances in their homogeneous form. These substances are not intentionally added during the manufacturing of any Mill-Max products. To our knowledge, our products do not contain the substances described on the ECHA SVHC list.

This information is based on our knowledge of our products and process. The suppliers of the raw materials used for our products are also in the process of verifying and communicating the presences of the SVHC in their respective products. We base our declaration on this knowledge alone. We are providing this information to convey the context of our certification. Testing is not performed for materials and substances that were not intentionally added. No warranty, liability of indemnification is expressed or implied with this information.

Mill-Max maintains surveillance of the ECHA website to obtain the latest information and periodically reviews the SVHC list for changes and additions. We will notify our customers if any change in the regulation precipitates further action or information sharing on our part. If you have any questions regarding this information, please contact me.
